**Subject:** Revisions to Gunnison Project Draft UIC Permit

Nancy, please find attached a redlined version of the draft UIC permit for your review. We took the liberty of converting the pdf of the permit you sent to Word so we could track changes for you. We have also provided some agenda items for our call tomorrow realizing that you will not have time to review the whole document in detail. These are the key items that Excelsior would like to discuss tomorrow. If you see anything else that you would like to discuss, please let us know.

Thank you,

Doug
